*SELECT PLANS F AND G contain restrictions on your use of providers. Standardized Plans A, F and G are also available. NOTICE TO BUYER: This policy/certificate may not cover all costs associated with medical care incurred by the buyer during the period of coverage. The buyer is advised to review all policy/certificate limitations. **Plan F also has an option called a high deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2,140 deductible. Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed \$2,140. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy/certificate. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

Premium Information

We, Gerber Life, can only raise your premium if we raise the premium for all the policies like yours in this state. Until you are age 99, your premium may change each year. This change will only be made on the first renewal date that coincides with or follows each anniversary of the policy date. Schedules of rates may vary depending upon your policy date.

Disclosures

Use this outline to compare benefits and premiums among policies.

Read Your Policy Very Carefully

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

Right to Return Policy

If you find that you are not satisfied with your policy, you may return it to Gerber Life Insurance Company at our administrative office, 3316 Farnam Street, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

Policy Replacement

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

Notice

The policy may not fully cover all of your medical costs. Neither Gerber Life nor its agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

Limitations and Exclusions

We will not pay benefits for:

- (a) services for which a charge is normally not made when there is no insurance;
- (b) expense incurred before the policy date;
- (c) expense incurred which is paid for by Medicare;
- (d) expense incurred while this policy is not in force;
- (e) services for non-Medicare Eligible Expenses; or
- (f) loss or expense payable under any other Medicare supplement insurance policy or certificate.

Refund of Premium

In the event of cancellation or death, we will promptly return the unearned portion of any premium paid.

Grievance Procedure

We strive to provide a high-quality customer service program to supply information to you, handle complaints, and attempt to satisfy your concerns. Our toll-free customer service telephone number is shown on the face page of your policy. However, for settlement of disputes that have not been successfully resolved through the customer service program, or that you desire to have settled by means of a written grievance, a formal Grievance procedure has been established.

The following Grievance Procedure for all grievances except those relating to ongoing hospital treatment is aimed at achieving mutual agreement for settlement of disputes:

- (a) All grievances must be presented to us in written form and must contain the words "This is a Grievance" or other words that clearly state that the intention of the communication is to serve as a written grievance to be handled according to this procedure.
- (b) A grievance must be filed by submitting the complete details in writing to:
 - Grievance Review
 - Gerber Life Insurance Company
 - P. O. Box 2271
 - Omaha, Nebraska 68103-2271
- (c) Each grievance will be addressed immediately and resolved as soon as possible after it is first received by us. Each level of the Grievance process will be dealt with by a person with problem-solving authority. A physician, other than your primary care physician, must be involved in reviewing any medically related grievances.
- (d) If a grievance is found to be valid, corrective action shall be taken promptly.
- (e) All concerned parties will be notified about the results of a grievance.
- (f) You shall have the right to appeal to the Department of Insurance after first completing our grievance process.
- (g) Any meeting with you will be scheduled at a location or in a manner which is convenient and does not necessitate excessive travel or hardship for you.
